

Activity Calendar

October 1-15, 2007

As you can see, we're trying something a little different this month. We've started using the online MemberConnect calendar as our primary church calendar, and it can be updated by each of the committee and group leaders as they wish. As such, we believe this is the most up-to-date listing of activities for our church. Our hope is to make any calendar we publish both accurate and easy to understand. Let us know what you think of our new look!
